one of the most revolutionary cutting edge books ever written on melchizedek ascension and the path of god realization dr stone considers this book of the 27 books in his ascension book series to be one of his best absolutely spiritually electrifying reading truly a revelation for the next millennium this book explores how to achieve self mastery and god realization on a spiritual psychological and physical earthly level and how to balance the three it must be understood that to achieve god realization at the highest level one must be aware that there are four faces of god there is a spiritual mental emotional and material face this most remarkable book explores and gives tools and techniques for achieving self realization in this lifetime in a most comprehensive easy to read easy to understand and practical manner this book is guaranteed to revolutionize and dramatically transform anyone s consciousness who reads this book this book is literally pulsating with cosmic and divine spiritual energies it literally holds within it the secret codes wisdom insights and tools to unlock the mysteries of creation

while it began as a mystical interpretation of jewish scriptural texts today qabalah is much more as john bonner writes in his introduction qabalah is a metaphysical philosophy or rather a theosophy that sets out to answer a series of vital questions regarding the nature of god his creation and the place of man in his divine plan it is a living growing system of personal development in addition much of contemporary western magick is founded on the work of the hermetic order of the golden dawn which based its ritual and teachings firmly in qabalah this scholarly introduction explores the mysteries of qabalah through the symbolism of the tree of life and its four distinct elements the three pillars of manifestation the ten holy sephiroth the paths that run to and from the sephiroth and the veils for each sephirah bonner provides detailed information on magical astrological and tarot correspondences as well as how different religious traditions relate to the concepts contained in each

the complete works of richard sibbes d d by alexander balloch grosart first published in 1862 is a rare manuscript the original residing in one of the great libraries of the world this book is a reproduction of that original which has been scanned and cleaned by state of the art publishing tools for better readability and enhanced appreciation restoration editors mission is to bring long out of print manuscripts back to life some smudges annotations or unclear text may still exist due to permanent damage to the original work we believe the literary significance of the text justifies offering this reproduction allowing a new generation to appreciate it

the day of atonement was a day of rest penitence and purification for israelites of loyal character on this day sins and impurities that had accumulated throughout the year were removed from the tabernacle by the application of sacrificial blood to its altars and compartments and transferred by the high priest s confession onto the goat for azazel which carried them to the desert israel was thus rendered clean before the lord ensuring that he would continue to dwell in their midst as it became ingrained in the veil of jewish consciousness the day of atonement underwent a process of reflection and reimagination as shown in second temple literature where azazel plays a significant eschatological role arriving in new testament times the day s imagery and typology presented irresistible motifs which its authors used to proclaim jesus christ s atoning death and heavenly intercession on behalf of believers by utilizing a coherent intertextual approach this book explores how john wove the day of atonement into the colorful literary tapestry of revelation
