toute l'œuvre proustienne est pleine de ces déplacements ils y tiennent une place au moins aussi importante que les souvenirs écrivait Georges Poulet dans l'espace proustien cet ouvrage se propose de faire des mobiles les instruments du déplacement symptomatique le point de départ d'une approche et d'une vision originales

the association of ideas became the foundation of Freudian psychoanalysis informed the nascent semiology of Saussure and characterized the literary works of Sterne, Joyce, Woolf and especially Marcel Proust the author of Remembrance of Things Past acutely aware of how philosophical, historical and narrative writing intersected gave years of thinking and planning to his multivolume masterpiece its shape was protean each successive volume reconfigured the previous ones and in 1987 Proust readers welcomed the publication of several new editions among them the Bibliothèque de la Pléiade which presented as many pages of variants as of text the Proustian fabric engages the complex layers of association to be found in Proust's work according to Christie McDonald Remembrance of

things past straddles the dominant thinking patterns of two centuries the nineteenth in which the association of fragmentary thought was to be subsumed into the notion of a totality and the twentieth in which the notion of associative thinking was to move toward an infinite process of referral and interpretation imbued with mcdonald s discerning knowledge of proust s intellectual and historical milieu his compendious writing and his critics the proustian fabric is one of the first books to take into account the rich variations of the new editions and to reexamine certain suppositions about proust s methods as well as his concern with philosophy literature art and politics

this book is about memory about how the past persists into the present and about how this persistence has been understood over the past two centuries since the french revolution memory has been the source of an intense disquiet fundamental cultural theories have sought to understand it and have striven to represent its stresses

in an interview given in 1913 proust described the as yet uncompleted *à la recherche du temps perdu* as a series of romans de l'inconscient this study explores the theme of the unconscious in proust s great novel situating it against a backdrop of nineteenth century models of the mind and tracing its connections with major metaphoric and thematic networks in the novel dreams and spoken language in particular emerge as crucial sites of unconscious mental activity providing a wealth of material on which one can base a comparative study of proustian and freudian models of the mind

proust s *à la recherche du temps perdu* is a hybrid a novel essay a capacious work of fiction containing a commonplace book it might as roland barthes has suggested be thought of as the product of profound and cherished indecision proust s indecision between two styles of writing the moralistic and the fictive novelistic romanesque structure and science is an exploration of this indecision the shorter proust proust the moraliste is a prolific writer of maxims from the laws of the passions to the aesthetic manifesto of the temps retrouvé to the rapacious teeming fertile spawning exuberant luxuriant reflection s on sexuality politics society yet these maxims whose grammar lays claim to timelessness are bound up in narrative the story of their evolution and disintegration proust s moralizing exposes our affective relationship with law statements with authority and it is this question that engages *à la recherche* in an epistemological debate which crosses the boundaries between the two cultures art and science what might be called the epistemological alertness of proust s text is explored at this interface between modernist science and literature

this collection of new feminist essays represents the work of young critics researching and teaching in british universities aiming to set the agenda for feminist criticism in the nineties the essays debate themes crucial to the development of feminist thought among them the problems of gendered knowledge and the implications of accounts of gendered language cultural restraints on the representation of sexuality women s agency cultural and political change a feminist aesthetics and new readings of race and class this variety is given coherence by a unity of aim to forge new feminist discourses by addressing conceptual and

cultural questions central to problems of gender and sexual difference the topics of discussion range from matrilinear thought to seventeenth century prophecy the poetry of amelia lanyer to julia margaret cameron s photographs from dorothy richardson and virginia woolf to eighteenth century colonial painting of the south pacific from medieval romance to feminist epistemology the essays utilise and question the disciplines of literary criticism art history photography psychoanalysis marxist history and post structuralist theory

secrets of creativity what neuroscience the arts and our minds reveal draws on insights from leading neuroscientists and scholars in the humanities and the arts to probe creativity in its many contexts in the everyday mind the exceptional mind the scientific mind the artistic mind and the pathological mind components of creativity are specified with respect to types of memory forms of intelligence modes of experience and kinds of emotion authors in this volume take on the challenge of showing how creativity can be characterized behaviorally cognitively and neurophysiologically the complementary perspectives of the authors add to the richness of these findings neuroscientists describe the functioning of the brain and its circuitry in creative acts of scientific discovery or aesthetic production humanists from the fields of literature art and music give analyses of creativity in major literary works musical compositions and works of visual art

rachel bowlby s acclaimed book on virginia woolf now appears with five new essays which look at woolf in a number of new frames as a woman essayist as a city writer and critic of modern culture and as a writer on love rachel bowlby shows with inimitable critical panache how it is that woolf s writing in its many forms and fashions continues to provide rich matter for thinking about the histories and futures of women writing and culture

depuis quelques années une critique structuraliste qui séparait rigoureusement structure et genèse exigeant la considération d un texte clos sur lui même et dont elle négligeait les étapes et les variantes n est plus de mise les chercheurs proustiens furent conduits à ce dépassement par l objet même de leur étude les matériaux que présente À la recherche du temps perdu sont en effet ceux d une œuvre inachevée non seulement dans son état final mais même potentiellement car de nombreux éléments abandonnés ou au contraire introduits en cours de route notamment l histoire d albertine témoignent d une activité incessante de surnourriture et de remodelage qui introduit de riches arrière plans et de notables déviations par rapport à l orientation d ensemble les auteurs des présentes contributions universitaires allemands suisses et français font ressortir à propos de nombreux aspects du roman proustien l importance fondamentale que revêt l étude des avant textes éléments non pas résiduels mais constitutifs d une écriture jamais parvenue à un point de fixation définitif ils analysent cette mobilité tantôt comme un phénomène de discours du point de vue du produit ou comme une autoproduction tantôt dans sa relation avec le sujet écrivant envisageable lui même sous différents angles il est certain en tout cas qu avec proust la question du sujet se pose de nouveau avec insistance à la critique contemporaine
